

Ascom Myco 3 Approved accessories for optimized mobile workflows

Maximize the performance of the Ascom Myco 3 smartphone. Help ensure constant uptime with a range of battery and charging solutions. Use Ascom-tested headsets for easy handsfree operation. Protect and personalize with screen protectors, sturdy carrying clips and color-coded tags.

Maximize availability and operation

Help ensure constant operation during long shifts with battery packs, battery pack chargers, wall- and table-mounted chargers (single and rack), USB charging cables, power supplies for all plug and socket types.

Handsfree productivity

For handsfree operation on the go, simply plug in the Ascom-approved headset with cable mic. Or use the boom headset, together with its quick-disconnect adapter.

Screen protection for extra durability

Help maximize the lifetime of your Ascom Myco 3 smartphones with screen protectors. These protectors help ensure optimal viewing and user interface with the full high-definition 5" screen.

Make it personal, keep it close

Use color-coded tags to quickly identify specific Ascom Myco 3 smartphones. Spare back covers with optional carrying clips are also available.

About Ascom

Our vision is a world where the right information moves people forward. Our mission is to put the right information in the right hands at the right time so that people can make the best possible decisions.

We are a global provider of communication and collaboration solutions for the acute care, long-term care and enterprise sectors. Our solutions are based on intelligent integrations with software and hardware that are open source and compatible with third party solutions. Every single second, our systems generate large amounts of data, which we then turn into useful and actionable information. This helps us to bring data to life for people in the toughest operational environments, ensuring smooth, complete, and efficient workflows.

Ascom is headquartered in Baar (Switzerland), has operating businesses in 19 countries and employs around 1,400 people worldwide. Ascom registered shares (ASCN) are listed on the SIX Swiss Exchange in Zurich.
